## Orlando Rowing Club Helps Support Local Cancer Treatment and Research

June 16, 2009 – (ORLANDO, FL) The 2nd Annual Florida Masters Regatta had an impressive first year raising \$1,900 to benefit local cancer treatment and research at M. D. Anderson Cancer Center Orlando through Orlando Rowing Club's partnership with Women Playing For T.I.M.E.(WPFT).

The Regatta made for a great day of masters and open racing and included a Corporate Challenge 500-meter dash with teams from Orlando Health and WPFT amongst others. Some of the participants were breast cancer survivors, and for many, it was a chance to contribute directly and locally to a cause that has touched so many.
